1. Eligibility

The 2026 Pairs Order of Merit is open to all players, men and women, holding a valid federation licence and an active handicap.

The competition is played in pairs. A pair must keep the same composition in order to accumulate results in the overall standings of the Order of Merit.

Players holding a foreign licence must hold the corresponding temporary licence of the Valencian Golf Federation (Federación de Golf de la Comunitat Valenciana) where required, and must provide evidence of their official handicap.

2. Format of play

Fourball Stableford Handicap.

Each player in the pair plays their own ball throughout the hole and, for the pair's score, the better Stableford result returned by either of the two players counts on each hole.

Events count for handicap purposes in accordance with the regulations in force and the conditions established by the Competition Committee.

3. Categories

The competition has two categories:

- 1st Category: up to handicap 15.4.
- 2nd Category: from handicap 15.5.

Each pair's category is determined by the Competition Committee according to the handicaps of its members at the time they play their first event of the circuit.

That category is held for the whole season. If the members' handicaps change during the year and move into another band, the pair does not change category.

The handicap applied at each event is the one officially in force on the day it is held. A change of handicap affects play at each event, but does not alter the pair's category.

4. Calendar

The 2026 Pairs Order of Merit consists of the following events:

Event	Date
1st event	25 April 2026
2nd event	30 May 2026
3rd event	28 June 2026
4th event	12 July 2026
5th event	26 September 2026
6th event	17 October 2026
7th event	21 November 2026

Event	Date
8th event / Final	19 December 2026

The calendar may be modified for reasons of weather, organisation or force majeure. Any change will be communicated by Panorámica Golf through its usual channels.

5. Standings at each event

At every event a separate standing is drawn up for each of the two categories.

The standing is determined by the Stableford Handicap points scored by each pair over the 18 holes of competition.

6. Order of Merit

The overall standings of the Order of Merit are established by accumulating the Stableford points scored by each pair at the events that form part of the circuit.

Each pair may play all 8 events, but only their 6 best results will be counted.

Every pair therefore discards their two worst results of the season.

Where a pair does not take part in an event, that absence may act as one of those discards.

Until more than six events have been played, all results obtained are counted. Once the seventh event has been played, each pair's worst result is automatically dropped and, once the eighth has been played, the two worst are dropped.

In order to accumulate points, a pair must compete with the same composition.

The standings are updated after each event and are available through the official channels of Panorámica Golf.

7. Ties

In the event of a tie at a particular event, the tie-breaking criteria established by the competition system and by the Competition Committee of Panorámica Golf will apply.

Where pairs are level on points in the overall standings of the Order of Merit, the following will prevail, in this order:

- 1) Best result obtained in the most recent event played.
- 2) Best result in the event immediately before it.
- 3) Then, in turn, the earlier results until the tie is broken.

Should the tie remain, the Competition Committee will determine the final criterion in accordance with the Rules of Golf and the applicable regulations.

8. Prizes at each event

At each event of the Order of Merit there will be prizes for:

1st Category

- 1st placed pair.
- 2nd placed pair.

2nd Category

- 1st placed pair.
- 2nd placed pair.

The prizes for each event are separate from the prizes for the overall standings of the Order of Merit.

9. Final standings

At the end of the last event, the winning pairs of the 2026 Pairs Order of Merit will be declared in each category.

The pairs that have obtained the best accumulated score over the season under these rules will be recognised.

10. Entries

Entries for each event are made through the channels provided by Panorámica Golf, mainly GolfDirecto.

Entering one event does not automatically enter a pair in the following events.

Tee times will be published once the entry deadline has closed.

11. Rules of play

The competition is governed by:

- The Rules of Golf as approved by The R&A and the USGA.
- The Local Rules of Panorámica Golf.
- The conditions of competition established by the Committee.
- These Competition Rules of the Pairs Order of Merit 2026.

Any situation not expressly covered by these rules will be resolved by the Competition Committee of Panorámica Golf, whose decision is final.

12. Competition Committee

The Competition Committee of Panorámica Golf reserves the right to modify the conditions, the dates or any aspect of the competition where there is justified cause, informing participants in advance whenever possible.

It is also responsible for resolving any incident, question of interpretation or situation not foreseen in these rules.

PANORÁMICA GOLF

These rules are subject to the decisions and interpretations of the Competition Committee, in accordance with the regulations in force and the applicable Rules of Golf.
