Official rules document for the 2026 Individual Order of Merit at Panorámica Golf.

Urbanización Panorámica, s/n - 12320 San Jorge (Castellón)

Tel. +34 964 49 30 72 - panoramiclubdegolf.com

1. Eligibility

The 2026 Individual Order of Merit is open to all players, men and women, holding a valid federation licence for the year 2026.

The maximum playing handicap is 28.

Players holding a foreign licence must obtain the Temporary Licence of the Valencian Golf Federation (Federación de Golf de la Comunitat Valenciana) and present proof of handicap issued by their home federation.

2. Format of play

Individual Stableford Handicap.

Each player plays their own ball over the 18 holes, scoring Stableford points according to the result achieved on each hole and their playing handicap.

Events are played under the Rules of Golf in force, the Local Rules of Panorámica Golf and the conditions established by the Competition Committee.

3. Categories

The 2026 Individual Order of Merit has the following categories:

- Lower Handicap: players with a handicap of 15.4 or below.
- Higher Handicap: players with a handicap of 15.5 or above.
- Scratch: a separate standing based on the gross score returned by each player.

Each player's category is determined by their official handicap at the time they play their first event of the circuit.

That category is held for the whole season. If a player's handicap changes during the year and moves into another band, the category in which they compete and are classified does not change.

4. Handicap

The maximum handicap admitted in the competition is 28.

Players with a higher handicap may take part, but will compete off a handicap capped at 28 for the purposes of the standings.

The handicap applied at each event is the one officially in force on the day the competition is held.

A change of handicap over the course of the season affects play at each event, but does not alter the category assigned under section 3.

5. Calendar

The 2026 Individual Order of Merit consists of 8 events:

Event	Date
1st event	7 February 2026
2nd event	4 April 2026

Event	Date
3rd event	20 April 2026
4th event	13 June 2026
5th event	12 September 2026
6th event	10 October 2026
7th event	7 November 2026
8th event / Final	5 December 2026

Dates may change for reasons of weather, organisation or force majeure. Any change will be communicated by the Competition Committee through the official channels of Panorámica Golf.

6. Standings at each event

Separate standings are drawn up at every event for:

- Lower Handicap.
- Higher Handicap.
- Scratch.

The handicap standings are determined by the Stableford points scored by each player over the 18 holes.

The Scratch standing is determined by the gross score returned.

7. Overall Order of Merit standings

The overall standings of the Individual Order of Merit are established by accumulating the results obtained by each player across the different events.

Each player may play all 8 events, but only their 7 best results will be counted.

Every player may therefore discard their worst result of the season.

Where a player does not take part in an event, that absence may act as the discarded result.

8. Counting scores

The final standings take into account the 7 best results from the 8 events played during the season.

The standings are updated after each event.

Until more than seven events have been played, all results obtained are counted.

Once the eighth event has been played, each player's worst result is automatically dropped.

9. Ties

In the event of a tie at a particular event, the tie-breaking criteria established by the Rules of Golf, the competition management system and the Competition Committee will apply.

Ties in the overall standings:

In the event of a tie on points, the better result in the most recent event of the circuit will prevail. If the tie remains, the player who has played more events will rank ahead. If still tied, results from previous events will be compared successively, starting with the immediately preceding event. If the tie still cannot be resolved, the Competition Committee will decide.

10. Prizes at each event

Prizes may be established at each event for the different categories of the competition.

The prizes for each event are separate from the prizes for the overall standings of the Order of Merit.

The organisers may also establish special prizes, draws or additional gifts at certain events.

11. Final standings

Once the last event has been played, the definitive standings of the 2026 Individual Order of Merit will be established.

Winners will be declared in:

- Lower Handicap.
- Higher Handicap.
- Scratch.

The final standings are calculated taking into account the 7 best results from the 8 events.

12. Entries

Entries for each event are made through the channels provided by Panorámica Golf, mainly GolfDirecto.

Entering one event does not automatically enter a player in the remaining events.

The entry deadline and the tee times will be announced for each event.

13. Rules of play

The competition is governed by:

- The Rules of Golf as approved by The R&A and the USGA.
- The Local Rules of Panorámica Golf.
- The conditions of competition established by the Committee.
- These Competition Rules of the Individual Order of Merit 2026.

Any situation not expressly covered by these rules will be resolved by the Competition Committee of Panorámica Golf.

14. Competition Committee

The Competition Committee of Panorámica Golf reserves the right to interpret these rules and, where there is justified cause, to modify the dates, the conditions or any other aspect of the competition.

The Committee's decisions regarding the interpretation and application of these rules are final.

PANORÁMICA GOLF

These rules are subject to the decisions and interpretations of the Competition Committee, in accordance with the regulations in force and the applicable Rules of Golf.
